

Dear Frontier Unit Leaders:

I hope you are enjoying and continue to enjoy the rest of your Summer!

I would like to remind you of recruitment opportunities for your unit. You have been identified as a low membership unit because you have 10 or less boys registered. In order to help you retain and/or expand, it is necessary that you take advantage of our recruitment materials available at your request. Please contact your District Executive, Evelyn Payan at [evelyn.payan@scouting.org](mailto:evelyn.payan@scouting.org) / (213)413-4400 ext 333 or your District Chairman, Doug Briscoe at (562) 867-1087 / [pebbledougi@frontier.com](mailto:pebbledougi@frontier.com) to coordinate on the items you need.

Remember that recruiting at the beginning of Back to School is always successful.....waiting will make you work around HOLIDAYS which is harder to get families attention.

**For your reference, I have included our active school districts below so check the one that applies to you and find out their Back to School date:**

Compton Unified School District: August 17<sup>th</sup>

Paramount Unified School District: August 16<sup>th</sup>

Los Angeles Unified School District: August 15<sup>th</sup>

Downey Unified School District: August 16<sup>th</sup>

Norwalk/La Mirada Unified School District: August 17<sup>th</sup>

ABC Unified School District: August 23<sup>rd</sup>

**I have attached a flyer request form and some guidelines for your convenience.**

Thank You!
