

## Fall Recruitment Quick Guide!!!

Would you like to give an opportunity to other boys??? If so, contact your District Membership Chair or District Executive. We have different recruiting materials like pre-printed flyers, posters, and brochures that can help your unit increase membership or even can help to start a new unit. If you would like a Recruitment Guide, we have that available for you!

The following are some simple guidelines on how to recruit from the 2-3 schools near your unit:

1. Contact the school principal and inform him/her about your goal (increase membership or starting a new unit)
  - a. If you want to start a new unit, educate yourself on the requirements and inform the principal
  - b. If you want to increase membership, discuss your membership challenges and goal.
2. Contact your District Membership Chair or District Executive to ask for recruiting materials. If you request flyers, you will need to provide the date, time, and location of your round up meeting. We have a flyer request form if you wish to use it.
3. Once the information has been transferred into the flyer, you will need to get approval from school district before we make copies to distribute.
4. Send a copy of approval to district membership chair or district executive and your request will processed (give it one-two weeks for your flyers to be ready).
5. If you need other materials, please let us know one-two weeks in advance.
6. Once your flyers are ready, you may place them in teacher boxes with the principal's approval or do a walk-thru to the targeted grade levels (takes about 45 minutes to do two grade levels).
7. Guidelines on how to prepare for the round up night are available at your request.
